FAQ on Pricing

Kenapa kok ada biaya komitmen?

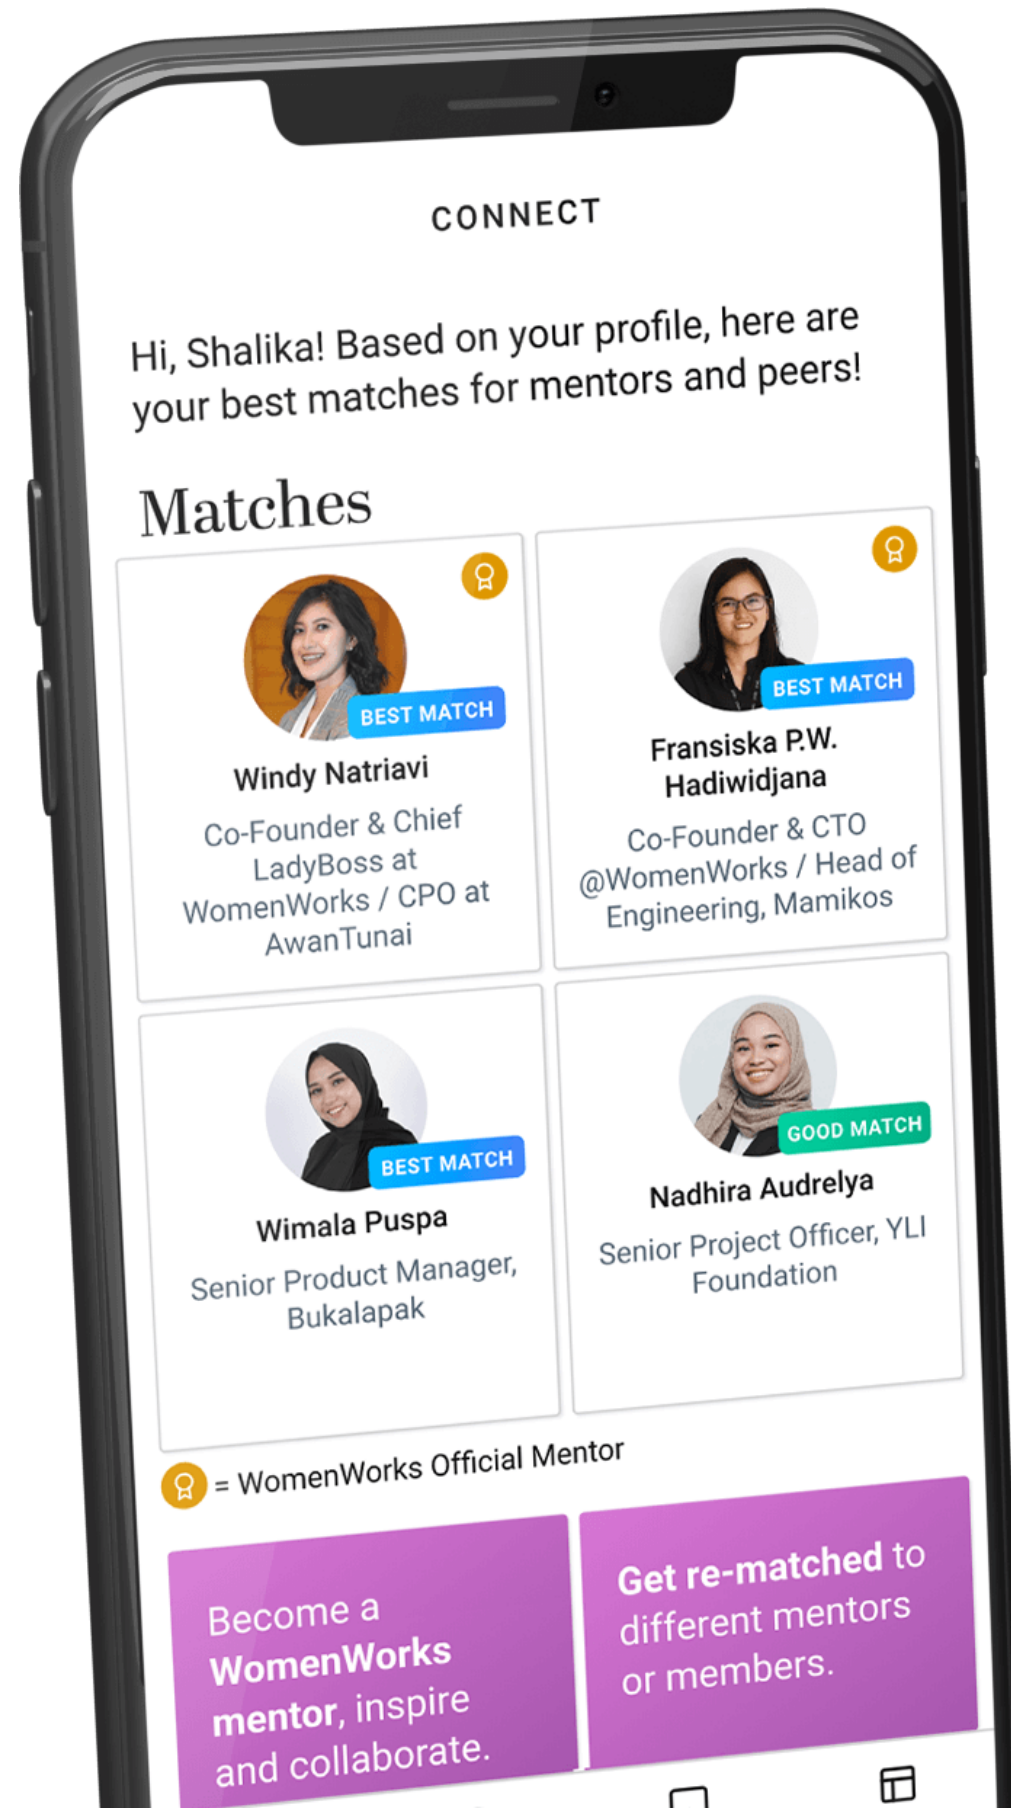

Kami ingin memastikan bahwa Mentee yang bergabung di WomenWorks Indonesia memiliki komitmen yang tinggi untuk mengikuti sesi mentorship dari awal hingga akhir. Dengan demikian, kami juga dapat memastikan bahwa waktu yang diberikan oleh para Mentor dihargai dengan baik.

Oleh karenanya, sistem penetapan harga kami juga telah didesain sedemikian rupa agar Mentee tetap mendapatkan pengalaman dan pelajaran yang setara dengan harga yang telah dibayarkan. Jika di akhir sesi mentorship, Mentee merasa tidak puas dengan hasil yang didapatkan, kami juga memiliki sistem **refund** yang penggunaan dan implementasinya akan beragam berdasarkan evaluasi.

Kenapa harga untuk Founders dan Comebacks lebih mahal? Apakah saya bisa mengambil paket Kickstarters atau Career Changers agar lebih terjangkau?

Mendirikan perusahaan sendiri serta menyeimbangkan kesibukan sebagai ibu dan perempuan karir bukanlah sesuatu yang mudah, dan para mentor kami merasakan betapa sulitnya mempelajari hal-hal tersebut. Biaya komitmen yang lebih tinggi untuk **Founders** dan **Comebacks** ditujukan untuk menghargai waktu dan pengalaman para Mentor kami di bidang tersebut.

Mengingat ada beberapa Mentor yang hanya tersedia untuk program tertentu saja, mohon memilih jenis program yang tepat sesuai kondisi saat ini dan kebutuhan dalam mentorship.
